

## Western European Singles Conference 2016 ~ Hotels near City Temple and the Institute of Education

The hotels listed below represent some of the accommodation located close to the central London venues we use most often (Institute of Education - Logan Hall etc and City Temple).

**Disclaimer:** These hotels are listed to provide a service to people wishing to stay overnight in London during the UK & Eire Conference. ICC Missions make no claims about the quality of facilities or services of these or any other hotels. We have no responsibility for the content of their websites.

We recommend that you check directly with the hotel/hostel as early as possible for best rates. Please also check its accessibility and its proximity to the venues for your personal circumstances before you go ahead and book.
